

Slate Registration Form Overview/Instructions

Guidelines

- If the Elections Board Chair determines that the names of two slates are similar enough to confuse the voters, the slate name registered at the earliest date shall retain the name, and the other slate shall choose another.
- No slate may include as a part of its name, the name of, or reference to, any student, faculty, or staff of UC Los Angeles without presenting the express written permission of that person, nor may it include, or reference, the name of any registered student group or organization without the permission of at least two signatories of that group. This item shall not be constructed to protect a group whose formation post- dates that of an accused party.
- In the event that a person is compelled to relinquish his or her status as party signatory by this process, the party in question shall cease to exist, and the slate name may be claimed as a new slate.
- The Slate Signatory must attend the mandatory Candidates Orientation Thursday March 31st 6pm or 10pm.
